Nambour-Yandina United Football Club was formed in 1997; amalgamating two great earlier clubs the Nambour Reds (founded in 1974) and the Yandina Eagles (founded in 1976). Each Club brought with it its areas of specialty, one a strong youth background and the other well-established senior teams creating a perfect blend. The Club was then affiliated with Sunshine Coast Football and Football Queensland.

NYU football club prides itself on offering opportunities for all ages, genders and abilities to play football in a safe and supportive environment. We have teams from under 6s through to Premier Men and Women.

For more than twenty years the Club has also hosted the Yandina Community Markets, visited by thousands each year, it is a valuable source of fund-raising and a huge boost each weekend to the local economy.
