## **WELCOME TO 2024 AT NAMBOUR YANDINA FOOTBALL CLUB**

NYU football club prides itself on offering opportunities for all ages, genders and abilities to play football in a safe and supportive environment. We have teams that cater for 5 years of age through to Premier Men and Women.

Nambour-Yandina United Football Club was formed in 1997; amalgamating two great earlier clubs the Nambour Reds (founded in 1974) and the Yandina Eagles (founded in 1976). Each Club brought with it their own areas of specialty, one a strong youth backgrounds and the other well established senior teams creating a perfect blend. The Club then affiliated with Sunshine Coast Football and Football Queensland.

With over 250 players registered in most age groups and across a number of divisions it is a Club that is recognized across the Sunshine Coast for not only its strength, but also its passionate supporters. Both genders and all age groups are welcome no matter their level of skill. We have players aged from 5 to 70 who compete and train on a weekly basis. All of whom learn through experience what it is to be part of a team and the value that holds.

For more than twenty years the Club has also hosted the Yandina Community Markets, visited by thousands each year, it is a valuable source of fund-raising and a huge boost each weekend to the local economy.

# GAME DAY INFORMATION

## Fixtures

Nambour Yandina United FC plays in the Sunshine Coast Football Competition that is governed by Football QLD and FFA.

Football Queensland manages all fixtures for the competition for all age groups and allocates where and when your team plays.

From March 1st 2023 the new app called Squadi which is Football QLD's new management software will include fixtures, results, ladders, statistics, online team sheets, game changes, wet weather advice for cancelled games. Team communication is also built into Squadi, which can be used, similar to Messenger and Whatapp.

It is common for teams to create a private team group chat through Messenger or similar platform, to chat & stay in touch through the season. Team group chats assist with communication, carpooling and absent communications to your coach.

On game day your first point of call is your coach so please ensure you have their number or contact. Squadi the App will also be a vital source of field allocations and changes each week.

# MINI ROOS UNDER 6 TO UNDER 12

MiniRoos is a nation wide initiative developed by the Football Federation Australia. It's a smaller version of football that provides boys and girls aged 5-11 with a fun introduction to the world game. MiniRoos is designed for children; it's all about having fun, learning new skills, and making lifelong friends. MiniRoos provides opportunities for boys and girls of all abilities, shapes and sizes to play football together and is non-competitive (No score recorded or competition ladder)

For more information on MiniRoos go to..

Your team will generally play in the 'North Hub' which is a group of surrounding local clubs. You will play a variety of different teams from these clubs either at their club or at yours. Football QLD organizes the fixtures for all games.

## **MiniRoo Carnivals**

There are 2 carnivals each season where all clubs from all over the Sunshine Coast come together at one club to play each other. This is a highlight for the children as they receive medals for participation. There is generally a small fee approximately \$7-\$8 to cover costs.
